ABOUT US

DEDICATED TO EXCELLENCE

At En Pointe Studios, we are dedicated to excellence and cultivating a lifelong appreciation for the art of classical ballet.

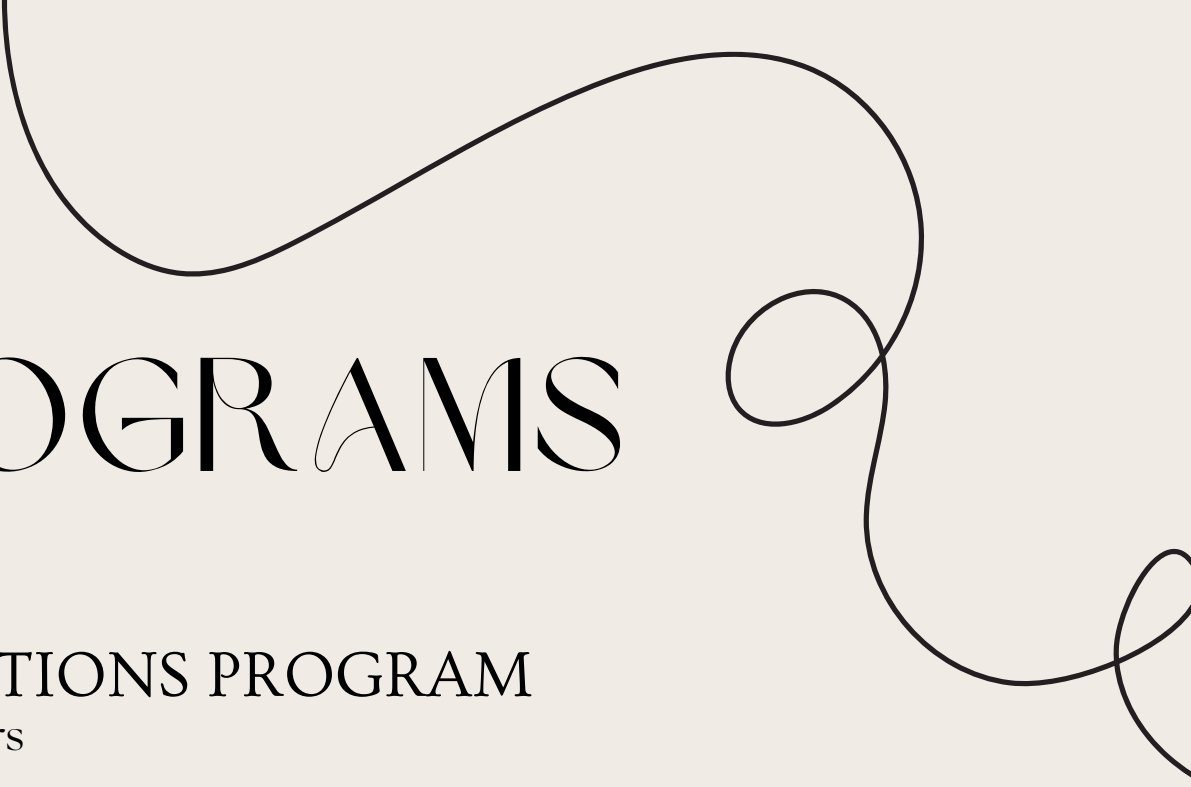

From the earliest steps of Baby Ballet at age three through to our Transition and Vocational Training Programs, including fulltime pre-professional training, we offer a considered and progressive pathway for dancers to develop their technique, artistry, and discipline.

Our classes follow a Vaganova-based syllabus, delivered by our highly experienced faculty, with a strong emphasis on technical excellence, artistic development, and high-quality dance education that recognises and nurtures each dancer's individual potential.

With fully equipped studios in Vermont and Kew, Victoria, we welcome aspiring dancers to become part of the En Pointe Studios community in 2027.

PROGRAMS

TRANSITIONS PROGRAM

(1 Day) 9-12yrs

Available to young students from Prep Level 1 through to Level 3, the Transitions Program operates on Saturdays at both our Vermont and Kew studios. This program provides students with the opportunity to add an additional five hours of training per week into their schedule, helping them build their technique, strength and confidence while continuing with their regular school commitments and BC Level classes.

VOCATIONAL TRAINING PROGRAM

(3 Day) 12-14yrs

Designed for students in Level 4 and above, VTP3 offers an additional 11 hours of training per week. We have worked hard to schedule the entire program to fall outside of regular school hours, allowing students to pursue a significant amount of intensive ballet training while continuing with their normal academic schooling commitments and BC Level classes.

VOCATIONAL TRAINING PROGRAM

(Fulltime) 12-18yrs

Our VTP5 program offers a dedicated pathway for students wishing to pursue full-time ballet training, with 25 hours of training per week, Monday to Friday, from 10.00 am to 3.30 pm, plus optional Saturday classes.

We are particularly excited about the future of our full-time program. We currently have a very promising cohort of young dancers signed up for 2027, and we look forward to supporting and nurturing their development as they work towards their goal of pursuing a professional career in classical ballet whilst undertaking online academic schooling.

PROGRAMS

AFTER-SCHOOL (BC Level Classes) 5-18yrs

Our After-School Program is devised for boys and girls aged from 5yrs-18yrs wishing to take after-school classes on a weekly basis at our Vermont & Kew studio locations. Students will also have the opportunity to sit annual examinations and perform in our EOY Production. NO audition required.

Classes include:

- Baby Ballerinas
- Classical Ballet (BC Syllabus)
- Pointe Coaching
- Contemporary
- Stretch & Strengthen
- Private Lessons

BABY BALLET

3-4yrs

*Saturday Vermont & Kew

Our aim in each class is to provide a fun and positive atmosphere that introduces formal classical ballet technique, posture, positions, and ideologies, whilst still maintaining a traditional and disciplined classical ballet learning environment.
